To Whom It May Concern:

Caleb Eno is a friend of mine whom I have known for over ten years. From 2008-2012 he was also an employee at Muskingum University's bookstore, of which I was the manager. I have had the opportunity to interact with him both as a personal friend and as an employee.

Caleb is an outgoing and enthusiastic individual who invests himself wholeheartedly in whatever he undertakes, whether it is his hobby, his education, or his employment. He enjoys interacting with people and takes pride in the work that he does. Caleb is creative and innovative in his approach to life while maintaining a high level of integrity.

I enjoyed working with Caleb and I value his friendship. I recommend him for any career path which he chooses. I would be happy to answer any additional questions you would have.

Sincerely,

Lee Miller
